Dear Parents,

Re: Primary 4 Assessment 2024

The key aim of our school system is to develop students not only to be ready for examination, but also to be ready for the future. Thus, ***Learn for Life***, as a value, an attitude and a skill is what our students need to possess. It is in this spirit that changes to the school-based assessment structures have been made to deepen the joy of learning in our schools and instill a stronger intrinsic motivation in students to learn, instead of just preparing for examinations.

In 2018, changes to our education system, such as the removal of mid-year examinations in some levels to enhance the joy of learning in primary and secondary schools was announced. MOE also announced in 2022 that from 2023 onwards, **mid-year examinations are removed for all levels** in all mainstream schools.

In 2024, Primary 4 students will have weighted assessments (WA) in Term 1, 2 and 3 and sit for End-of-Year Examination (EYE) in Semester 2. There will also be formative assessments (FAs) carried out over the year by subject teachers in the class. FAs help to inform subject teachers of students' learning. Examples include simple class activities and/or worksheets that are non-weighted.

Assessment Weighting for 2024

Information on the assessment weighting in 2024 for Primary 4 is provided in the table below.

	Semester 1		Semester 2	
	Term 1	Term 2	Term 3	Term 4
Weighted Assessment	WA 1	WA 2	WA 3	End-of-Year Exam (EYE)
Weighting	15%	15%	15%	55%

Only Medical Certificates and other valid official documents are accepted for absences from Weighted Assessment (WA) and End-of-Year Examination (EYE). Kindly note that letters from parents will not be accepted and there will be no make-up assessment for absentees. Marks will not be awarded for absentees without valid documents.

If your child is absent for an assessment, his/her subject teacher will pass the assessment paper to him/her for practice. It will **not** be counted as a weighted assessment. Marks will be pro-rated for students who submit their medical certificate (MC). A mark of zero will be given for students who are absent without a reason deemed valid by the school.

Please refer to Annex 1 for **Primary 4 Weighted Assessments (Term 1)**.
