

MARSILING PRIMARY SCHOOL

EdTech @ MPS

P1 1st Day of School

2 January 2024

EdTech @ MPS

1. *Student Learning Space (SLS)*
2. *Digital Access @Home*

What is SLS?

SINGAPORE

Student Learning Space

What is SLS?

- Provides equal access to quality curriculum-aligned resources in major subjects from **primary to pre-university level**.
- Creates learning experiences using technology to engage students in different learning modes, including **self-directed** and **collaborative** learning.

What is SLS?

you can learn independently from videos,

How does SLS support learning?

- The tools and curriculum-aligned resources allow students to **learn at their own pace and collaboratively**.
- Students take greater ownership of their learning and pick up skills and habits that **prepare them for lifelong learning**.
- Teachers will also use SLS to **complement classroom teaching and learning**.

Main Features of SLS

1. Announcements

- Instructions for Students

2. Assignments

- Lessons
- Homework

3. MOE Library

- Self-paced learning resources

Student Accounts

- P1 students will receive their accounts in **January 2024**.
- **Digital Literacy lessons** will be conducted for P1 students, to equip them with the necessary **ICT skills to support them in their learning**.
