Dear Parents,

**Re: 2025 Primary 2 Calendar of Events for Term 2**

We hope that your child has had a good term break and is looking forward to participate in the activities/ programmes that the school has planned for the Primary 2 level in Term 2.

**1. Revision of Class Timetable**

Your child will be receiving a new class timetable this week for Term 2 and it will take effect from **1 Apr (Tue)** onwards. Kindly note that the change in timetable was to accommodate student programmes and staff movements.

**2. International Friendship Day (IFD)**

The school will be commemorating International Friendship Day (IFD) on **7 Apr (Mon)**. The IFD theme is Singapore: Forging Friendships in a Complex World. The rapidly evolving global landscape offers Singapore both opportunities and challenges. International cooperation remains vital for us to address global issues collectively and seize new opportunities. By fostering an appreciation of different cultures and perspectives, students will be better equipped to contribute to a cohesive and globally connected society. Our youth can forge meaningful connections with our neighbours and help Singapore to remain relevant in a complex world. In addition, they can embrace openness and opportunities for international cooperation, while deepening their understanding of Singapore's geopolitical realities and national interests.

All students will come to school in their school uniform or PE attire as per normal. Various programmes will be planned for the students to help them learn about and appreciate other cultures in our cosmopolitan Singapore.

**3. Green Citizenship @ MPS - Earth Week**

In celebration of Earth Day on **22 Apr (Tue)**, Marsiling Primary School will be commemorating Earth Week from **21 Apr (Mon) to 25 Apr (Fri)**. In alignment with the 2025 global Earth Day theme, "**Our Power, Our Planet**", Green Citizenship @ MPS programmes will be planned for the students to promote sustainable environmental actions that protect the environment, learn more about sustainability, and be aware of how their actions impact the environment.

By providing our Marsilians with the knowledge and skills to be active green citizens and fostering a sense of agency over environmental issues, we hope to nurture tomorrow's environmental leaders. The theme "Our Power, Our Planet" focuses on renewable energy and calls for a tripling of global renewable energy generation by 2030.

#### 4. Primary 2 Connect@MPS

As part of our continuous efforts to engage our stakeholders and to give parents a better understanding of your child's educational journey, the school will host a workshop for P2 parents on Mathematics on **25 Apr (Fri)**.

Parents will learn about model drawing, an essential and powerful strategy which allow students to draw and visualise mathematical concepts to solve word problems. We will also have a Parent-led workshop by our Parent Support Group (PSG). More details about this event will be made available at a later date.

#### 5. Primary 2 Parent-Child-Teacher Conference (PCTC)

The Primary 1 PCTC will be held in **Term 2 Week 10**, on **29 May (Thu)** and **30 May (Fri)**. The PCTC is an opportunity for parents, students and teachers to interact and dialogue about the student's progress through the course of Semester 1. More details about the PCTC will be made available at a later date.

I look forward to working with you in support of your child's holistic development in Marsiling Primary School.

Thank you.

Yours faithfully,

Mr Chan Hong Wei  
Year Head/ Lower Primary
