Dear Parents,

Re: 2026 Primary 5 Calendar of Events for Term 2

We hope that your child has had a good term break and is looking forward to participating in the activities/ programmes that the school has planned for the Primary 5 level in Term 2.

1. Revision of Class Timetable

Your child would have received a new class timetable for **Term 2**, and it will take effect in **Week 2** on **30 Mar (Mon)**. Please note that the change in timetable is to accommodate student programmes and staff movements.

2. Co-Curricular Activities (CCAs)

All CCAs are conducted on Tuesdays during school hours. In **Term 2**, CCAs have started in **Week 1** on **24 Mar (Tue)**. More information has been provided to students by their CCA teachers.

3. Enrichment and Remedial Programme (ERP)

The Primary 5 ERP is conducted for selected students after school hours from **Term 2 Week 1**. Consent forms have been issued to the selected students by the respective teachers-in-charge before the start of the programme. Details are listed in the table below.

Activity	Day	Dates
E2K Science	Wed	T2W1 to T2W7, and T2W9 (2pm to 3.30pm)
Higher Mother Tongue Language (HMTL) Classes	Mon	T2W2 to T2W10 (2pm to 3pm)
School-based Reading Remediation Programme (RRP)	Thu	T2W2 to T2W5, and T2W7 (2pm to 3pm)
Subject-specific Enrichment & Remedial Classes	Wed and/or Thu	T2W1 to T2W5, and T2W7 (2pm to 3pm) <i>(Refer to Calendar of Events below for more information)</i>

Note: There are no school-based activities arranged on Tuesdays and Fridays, unless informed otherwise.

4. Personal Grooming and Attire Check

Marsilians are expected to always be good ambassadors of the school by maintaining a neat and tidy appearance. Having proper attire and grooming also shows readiness for learning. The school will conduct a personal grooming and attire check in **Term 2 Week 5**. Marsilians should refer to the Student Handbook (pg. 20 to 23) for more information on school's expectations for personal grooming and attire.

5. International Friendship Day and Career Awareness Week

The school will be commemorating International Friendship Day (IFD) on **6 Apr (Mon)**. The IFD theme is Singapore: Forging Friendships in a Complex World. International cooperation remains vital for us to address global issues collectively and seize new opportunities. By fostering an appreciation of different cultures and perspectives, Marsilians will be better equipped to contribute to a cohesive and globally connected society. Our youth can forge meaningful connections with our neighbours and help Singapore remain relevant in a complex world. In addition, they can embrace openness and opportunities for international cooperation, while deepening their understanding of Singapore's geopolitical realities and national interests.

In conjunction with this, elements of Education and Career Guidance (ECG) will also be incorporated throughout the week. Marsilians will have opportunities to participate in booth activities designed to create awareness of different careers and pathways, and to help them make connections between their interests, aspirations, and the world around them.

All Marsilians will come to school in their school uniform or PE attire as per normal. Various programmes will be planned to help them learn about and appreciate the diverse cultures in our cosmopolitan Singapore.

6. Green Citizenship @ MPS – Earth Week

As we approach Earth Day on 22 Apr, the school will be commemorating Earth Week in **Term 2 Week 4, from 13 Apr to 17 Apr**. In alignment with the global Earth Day theme, "Our Power, Our Planet," Green Citizenship @ MPS programmes will be organised to prepare Marsilians to adopt sustainable environmental practices, deepen their understanding of sustainability, and develop greater awareness of how their actions impact the environment.

Through these programmes, Marsilians will be equipped with the knowledge and skills to become active green citizens. By fostering a sense of responsibility and agency towards environmental issues, we hope to nurture environmentally conscious individuals and future leaders.

The theme "Our Power, Our Planet" emphasises the importance of renewable energy and calls for the tripling of global renewable energy generation by 2030. During Earth Week, Marsilians will be encouraged to take simple but meaningful actions such as saving electricity, reducing waste, and practising responsible consumption, as a way of preparing to celebrate and contribute to Earth Day.

7. Primary 5 Parent-Child-Teacher Conference (PCTC)

The Primary 5 Parent-Child-Teacher Conference (PCTC) will be held in **Term 2 Week 10**, on **28 May (Thu)** and **29 May (Fri)**. PCTC is an opportunity for parents, students and teachers to interact and dialogue about the student's progress through the course of Semester 1. More details about this event will be made available at a later date.

The **2026 Primary 5 Calendar of Events for Term 2** is attached for your reference. We look forward to working with you in support of your child's holistic development in Marsiling Primary School.

Thank you.

Yours faithfully,
