Dear Parents,

**Re: 2026 Primary 1 Calendar of Events for Term 2**

We hope that your child has had a good term break and is looking forward to participate in the activities/ programmes that the school has planned for the Primary 1 level in Term 2.

**1. Revision of Class Timetable**

Your child would have received a new class timetable for Term 2, and it will take effect in **Week 2** on **30 Mar (Mon)**. Please note that the change in timetable is to accommodate student programmes and staff movements.

**2. Personal Grooming and Attire Check**

Marsilians are expected to always be good ambassadors of the school by maintaining a neat and tidy appearance. Having proper attire and grooming also shows readiness for learning. The school will conduct a personal grooming and attire check in **Term 2 Week 5**. Marsilians should refer to the Student Handbook (pg. 20 to 23) for more information on school's expectations for personal grooming and attire.

**3. International Friendship Day (IFD) and Career Awareness Week**

The school will be commemorating International Friendship Day (IFD) on **6 Apr (Mon)**. The IFD theme is Singapore: Forging Friendships in a Complex World. International cooperation remains vital for us to address global issues collectively and seize new opportunities. By fostering an appreciation of different cultures and perspectives, students will be better equipped to contribute to a cohesive and globally connected society. Our youth can forge meaningful connections with our neighbours and help Singapore remain relevant in a complex world. In addition, they can embrace openness and opportunities for international cooperation, while deepening their understanding of Singapore's geopolitical realities and national interests.

In conjunction with this, elements of Education and Career Guidance (ECG) will also be incorporated throughout the week. Students will have opportunities to participate in booth activities designed to create awareness of different careers and pathways, and to help them make connections between their interests, aspirations, and the world around them.

All students will come to school in their school uniform or PE attire as per normal. Various programmes will be planned to help them learn about and appreciate the diverse cultures in our cosmopolitan Singapore.

**4. Green Citizenship @ MPS - Earth Week**

As we approach Earth Day on **22 April (Tue)**, Marsiling Primary School will be commemorating Earth Week from **13 April (Mon) to 17 April (Fri) 2026**. In alignment with the global Earth Day theme, "Our Power, Our Planet," Green Citizenship @ MPS programmes will be organised to prepare students to adopt sustainable environmental practices, deepen their understanding of sustainability, and develop greater awareness of how their actions impact the environment.

Through these programmes, our Marsilians will be equipped with the knowledge and skills to become active green citizens. By fostering a sense of responsibility and agency towards environmental issues, we hope to nurture environmentally conscious individuals and future leaders.

The theme “Our Power, Our Planet” emphasises the importance of renewable energy and calls for the tripling of global renewable energy generation by 2030. During Earth Week, students will be encouraged to take simple but meaningful actions such as saving electricity, reducing waste, and practising responsible consumption, as a way of preparing to celebrate and contribute to Earth Day.

### 5. Primary 1 Connect@MPS

As part of our ongoing efforts to engage with stakeholders and provide parents with a better understanding of their child's educational journey, the school will host a workshop for Primary 1 parents on English Language and Mother Tongue on **21 April (Tue)**.

The English Language session will focus on how parents can support their child's reading comprehension and annotation skills. In the Mother Tongue session, teachers will share practical ways parents can support their child's Mother Tongue Language reading and speaking at home. Parents will also learn simple, effective language strategies that they can apply in daily interactions with their child. More details about this event will be made available at a later date.

### 6. Primary 1 Parent-Child-Teacher Conference (PCTC)

The Primary 1 PCTC will be held in **Term 2 Week 10**, on **28 May (Thu)** and **29 May (Fri)**. PCTC is an opportunity for parents, students and teachers to interact and dialogue about the student's progress through the course of Semester 1. More details about this event will be made available at a later date.

The **2026 Primary 1 Calendar of Events for Term 2** is attached for your reference. We look forward to working with you in support of your child's holistic development in Marsiling Primary School.

Thank you.

Yours faithfully,

Mr Chan Hong Wei  
Year Head/ Lower Block

Mr Jackson Kek  
Vice Principal
